San Diego – a bar full of absurd events, where unforgettable stories and scenarios are born and strangers become friends.

While there are many intriguing possibilities here, San Diego promotes a transparent business model so payments **are only accepted by card** – no drama about cash.

We aim to create an unconventional bar scenario and build an environment you'd like to return to.

San Diego – the bar we all needed.

 Vegetarian

 Spicy

 Fish/seafood

You'll find important allergen information at the bar, don't hesitate to ask! By the way, all of our sauces are homemade, including guacamole and mayo!
